Who we are

ProMusica is a registered Mexican not-for-profit organisation which brings world class classical music to San Miguel year round at reasonable prices. Our concerts range from string quartets to solo piano recitals through classical guitar to an annual festival of baroque music. Our regular venue is the 200 seat St Paul's church where the acoustics are excellent and the atmosphere intimate.

ProMusica commissions new works from Mexican composers and we stage these world premiers each year

How you can support ProMusica

We need your help to continue bringing outstanding musicians to San Miguel. The core of our support is through *Patron Membership*.

Patron Membership

Patron Members are extremely important to *ProMusica*, allowing us to pay competitive fees to artists and maintain the quality of our performances. There are four different categories of membership for you to choose from.

Purchase Series Tickets

You can *Create Your Own Series* when you purchase tickets for 3, 6 or 9 concerts in advance and benefit from a discounted ticket price. Our Series planner is available on the website for you to download and complete, or request a copy by email.

Advertise with Us

Your advertisement in our concert programs or on our webpage shows your support for the quality musical experiences we bring to the San Miguel community. Advertising helps to cover expenses such as airline tickets for musicians, printing and marketing costs.

Host A Musician

By providing lodging for a musician in San Miguel you will be of direct help to an individual performer. If you have a casita or a spare room in your home you can make available, even for one night, you will help us defray some of their cost of being in San Miguel. We are also looking for hosts for our *Artists Suppers* after the concerts. These are wonderful ways to get to know the artists and thereby enrich your concert going experiences.

at St Paul's. The music performed at our concerts ranges from the 18th century to contemporary and covers Beethoven to Berg, Schubert to Schonberg and much, much more.

ProMusica owns a Steinway grand piano, immaculately maintained and kept in humidity controlled conditions in a special room at St Paul's. Our concert goers are equally as important to us and by joining the *ProMusica* family you will be helping us to make possible a musical life unparalleled in any other city of comparable size in Mexico.

Support a Commission for a Mexican Composer

ProMusica supports Mexican composers by:

- Commissioning works.
- Premiering their compositions for the San Miguel public.
- Working toward the publication and recording of these commissioned works.

Grants from \$1,000 USD and up are needed. At this level you will be personally involved with the composer whose work you commission. You will experience the creative and performing process in an intimate way not otherwise available.

Pledge a Concert Venue

ProMusica is always looking for new and interesting venues for concerts large and small. If you have a public venue, a beautiful home, restaurant or other large space that you believe would be suitable as a concert venue, please contact us.

Become an Active Volunteer

We need reliable volunteers to be involved in organising and staging our concerts. We have a variety of tasks, big and small to, suit your time availability. Examples include ushering at concerts, assisting with advertising, administration, accounting and other behind the scenes tasks which are vital to make each season a success. If you have some free time on your hands, and would like to get involved, we need you!

Beethoven \$5,000 USD and up
